Instructions for Your Donation

A simple guide for sending a check from your brokerage account

Dear Friend of Waterborne Relief,

Thank you for your generous commitment to Waterborne Relief. Your support helps us maintain a trained, volunteer-powered disaster response capability for communities affected by floods, hurricanes, and other water-related emergencies.

CHECK PAYABLE TO

Waterborne Relief

Mail to: PO Box 9792, Jackson, WY 83002

Federal EIN: 41-3536706

How to send the contribution

1 Contact your brokerage firm

Log in to your account or call your financial advisor and ask that a check be issued from your brokerage account.

2 Provide the payment instructions

Ask that the check be made payable to Waterborne Relief and mailed directly to the address above. In the memo or accompanying note, include your name and "General Donation" so we can properly identify the gift.

3 Let Waterborne know it is on the way

Reply to the accompanying email after the brokerage has processed your request. This allows us to watch for the check and confirm promptly when it arrives.

What happens after the check arrives

Once Waterborne Relief receives the check, we will confirm receipt, record the contribution in our donor system, and send you a formal written tax acknowledgment by email. *The acknowledgment will state the amount and date of the contribution and confirm that no goods or services were provided in exchange for the gift.*

Important: The contribution will not be marked received—and no tax acknowledgment will be issued until the physical check has arrived and has been recorded by Waterborne Relief.

With sincere appreciation,

Eric Riley
